

PROCHECK 125

CONDENSATION CONTROL

1. Identification of the mixture/preparation and the company

Product name: Procheck 125
Formulation: LDPE film, strengthened with a PP reinforcement net
Intended use: Water vapour control layer, reinforced

Company identification: A. Proctor Group Ltd
The Haugh
Blairgowrie
Perthshire
PH10 7ER

Telephone: +44 (0) 1250 872261 (Mon - Fri 9am - 5pm)

2. Composition/information on ingredients

Ingredient comments:
This product may contain various types of additives, none of these have to be reported.

3. Hazards identification

This product is not classified as hazardous according to 999/45/EC and/or 67/548/EC.
This product can burn if ignited.
In that case, the polyethylene polymer will melt, releasing toxic fumes.

4. First aid measures

Inhalation: Not applicable
Skin contact: None
Eye contact: None
Ingestion: None

5. Fire fighting measures

Extinguishing media: Use water, Foam, CO2, Powder
Special fire fighting procedures: No specific fire fighting procedure noted.
Unusual fire & explosion hazards:
Hazardous decomposition products: No hazardous decomposition products

6. Accidental release measures

Spill cleanup methods: Not applicable

7. Handling and storage

Usage precautions: None
Storage precautions: Ambient
Storage criteria: Ambient

8. Exposure controls and personal protection

Exposure control:

Inhalation:	Not applicable
Skin:	Not applicable
Eyes:	Not applicable
Environment:	Not applicable

9. Physical and chemical properties

Appearance:	LDPE film, with a PP reinforcement net
Colour:	White reinforcement net, clear film
Odour/taste:	Not applicable
Solubility description:	Not applicable

10. Stability and reactivity

Stability:	Very good
Materials:	Strongly oxidising materials
Hazardous decomposition products:	CO ₂ , CO, flammable hydrocarbons and smoke.

11. Toxicological information

Acute:	None
Inhalation:	None
Skin contact:	None
Eye contact:	None
Ingestion:	None
Carcinogenicity:	None

12. Ecological information

Degradability:	No information available
Acute fish toxicity:	No information available
Water hazard classification:	No information available

13. Disposal considerations

Disposal methods: Dispose off in accordance with local regulations.

14. Transport information

There are no special regulations for this product.

15. Regulatory information

Label for supply:	None
Risk phrases:	None
Safety phrases:	None

16. Other information

User notes: Issued July 2013
Changes: New document.
Type of product: Insulation material.

Information sources: MSDS of the suppliers.

This MSDS is set up in accordance with guideline 93/112/EG.
Guideline 2001/59/EG has been used to classify this material.

The information submitted in this publication is based on our current knowledge and experience, and is partially supplied by our suppliers. In view of the many factors that may affect processing and application, these data do not relieve processors from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.
