

# Procheck FR200

## CONDENSATION CONTROL

### 1. Identification of the product and the manufacturer

- 1.1 Identification of the product:  
Procheck FR200
- 1.2 Use of the material:  
Vapour Barrier Membrane
- 1.3 Identification of the manufacturer  
Manufacturer / Provider                   The A. Proctor Group Ltd  
Address   The Haugh, Blairgowrie  
  Perthshire, PH10 7ER (UK)  
Phone   +44 (0) 1250 872261 (Mon - Fri 9am - 5pm)  
Fax   +44 (0) 1250 872727

### 2. Composition of the products

- Polyethylene, aluminium, glass fiber scrim, lacquer
- 2.1 Does not contain any hazardous ingredients

### 3. Hazards identification

Does not present any particular risk provided it is handled in accordance with good industrial hygiene and safety practice. Does not present any particular hazard under normal conditions of use.

### 4. First aid measures

- 4.1 No special instructions
- 4.2 Inhalation: not specifically applicable
- 4.3 Skin contact: not specifically applicable
- 4.4 Eye contact: not specifically applicable
- 4.5 Ingestion: not specifically applicable

### 5. Fire fighting measures

- 5.1 Suitable extinguishing media: all extinguishing agents can be used (water, foam, CO2 powders, sand ...)
- 5.2 Extinguishing media not to be used: none
- 5.3 Special exposure hazard: carbon monoxide, carbon dioxide, smoke
- 5.4 Special protective equipment for fire-fighters: self-contained breathing apparatus

### 6. Accidental release measures

Not applicable

### 7. Handling and storage

- 7.1 Handling: normal requirements e.g. gloves
- 7.2 Storage: recommended to be stored in the original package, optimum conditions + 20 C, 50-60%RH.

### 8. Exposure controls/personal protection

- 8.1 Hand protection: wear gloves to avoid wounds
- 8.2 Eye protection: safety goggles

**9. Physical and chemical properties**

- 9.1 Physical state: solid at room temperature Odour: odourless  
 9.2 Important health, safety and environmental information pH: not applicable  
 Boiling point: not applicable Melting point: polyethylene 110°C Flash point: over 250°C Flammability: not easily  
 Explosive properties: not applicable Oxidising properties: not applicable Vapour pressure: not applicable Relative  
 density: not applicable Solubility: insoluble in water

**10. Stability and reactivity**

- 10.1 Conditions to avoid: under normal conditions no hazardous reactions likely  
 10.2 Not applicable  
 10.3 Hazardous decomposition products: in case of incomplete combustion and/or thermal decomposition carbon  
 monoxide, carbon dioxide and smoke may be formed. Molten material should not be allowed to be in contact  
 with skin (can adhere and cause burns).

**11. Toxicological information**

Does not present any particular toxic reaction when handled in accordance with good industrial hygiene and practice.

**12. Ecological information**

Should not pose any particular problems to the environment.

**13. Disposal considerations**

Dispose in accordance with local regulations. Can be disposed of as non-hazardous industrial waste.

**14. Transport information**

No restrictions. (NOTE: the above regulatory prescriptions are those valid on the date of publication of this sheet.)

**15. Regulatory information**

None.

**16. Other information**

The information given here is based on our best knowledge of this product and is given in good faith. The attention of the user is drawn to the possible risks incurred when using the product for any other purpose than that for which it was intended. This does not in any way excuse the user from knowing and applying all the regulations governing his activity. It is the sole responsibility of the user to take all precautions required in handling the product. The aim of the mandatory regulations mentioned is to help the user to fulfil his obligations regarding the use of hazardous products. This information is not exhaustive. This does not exonerate the user from ensuring that legal obligations, other than those mentioned, relating to the use and storage of the product, do not exist, this is solely his responsibility.
