

Forecourt Bio

Biological Forecourt Cleaner

A biological cleaner that digests diesel and oil stains and is both emulsion free and paint work friendly. Designed to clean pump, island and forecourt areas.

Digests oily water emulsions-the biological action continues to clean long after application.

KEY PROPERTIES

A blend of biological enzymes and bacteria with emulsion free surfactants.

Forecourt Bio cleans and digests oil and diesel stains.

Significantly assists in biologically reducing oily water discharges from separators

- Biological
- Emulsion Free
- Separator Friendly

APPROVALS

- German UBA (3406-0023) - Environmentally Acceptable Chemical
- Petrol Station Report - See website for 6 month trial report
