

Emirates Specialities Co. L.L.C

RACKING & SHELVING DIVISION

Established in 1990, The Racking & Shelving Division (RSD) has been involved in design, supply and installation of high quality storage systems throughout the UAE and in the region. Today the Division has grown to be one of the leading players in this field, providing total storage solutions for warehouses, industries, workshops, supermarkets, hospitals, office, etc.

Our services include project design, supply, installation, after-sales services and general consultancy on storage requirements. With this wealth of experience, we can provide the most innovative solutions for your warehousing challenges.
