

# SAFETY DATA SHEET

## 1. Identification of the Substance / Preparation and of the Company Undertaking

Product Name: SpEC Sureflash

Product Use: Sealant and Flashing Tape

Company: Speciality Engineering Chemicals

Address: P. O. Box 61347, Dubai, U.A.E.

Telephone: +9714-8836662

Facsimile: +9714-8837696

E-mail: info@spec.ae

Web site: ww.spec.ae

## 2. Composition / Information on Ingredients

Composition: Aluminium lined butyl compound

Hazardous Ingredient(s) Contains no hazardous material

## 3. Hazards Identification

Low hazard product. Prolonged skin contact may lead to irritation; direct eye contact may lead to irritation.

## 4. First Aid Measures

General: In all cases of doubt, or when symptoms persist, seek medical attention. Never give anything by mouth to an unconscious person.

Eyes: Irrigate thoroughly with cold water. If irritation persists, seek medical attention.

Skin: Wash affected area with soap and water.

Inhalation: No special response should be necessary.

Ingestion: Do not induce vomiting. Rinse mouth out with water. Give water to drink. Ask for medical advice.

## 5. Fire Fighting Measures

Suitable Extinguishing Media: Carbon dioxide, dry powder or fine water spray. Water can be used to cool fire exposed containers.

Special Exposure Hazards: None

Special Protective Equipment: A self-contained respirator and protective clothing should be worn. Keep containers cool with water spray until well after fire is out. Determine the need to evacuate or isolate the area according to your local emergency plan.

## 6. Accidental Release Measures

Personal Precautions: Protective equipment is not normally necessary. Avoid contact with eyes.

Environmental Precautions: Keep away from drains and water courses.

Decontamination Procedures: Scrape up and place in a lidded container for disposal as solid waste.

---

## 7. Handling and Storage

---

Handling:	Avoid skin and eye contact and do not swallow. Keep away from food and drink. Wash hands thoroughly before eating or drinking.
Storage:	Store in cool dry conditions below 25 °C and away from direct sunlight or heat sources.
Decontamination:	Soak-up with inert absorbent or contain and remove by best available means. Gather into containers.

---

## 8. Exposure Controls / Personal Protection

---

Occupational Exposure Limits :	Not applicable
Engineering Control Measures:	Ensure good ventilation of the work station.
Personal Protective Equipment:	Protective gloves, safety glasses, protective clothing, In case of insufficient ventilation, wear suitable respiratory equipment

---

## 9. Physical and Chemical Properties

---

Physical State:	Tacky, malleable strip on coated aluminium foil
Colour:	Grey, Black
Odour:	Negligible
Flash Point °C:	Not applicable. Does not support combustion.
SG/Bulk Density:	1.2 to 1.7g/cm <sup>3</sup>
Solubility:	Insoluble in water

---

## 10. Stability and Reactivity

---

Stability:	Stable at room temperature
Conditions to avoid:	High temperature (>90 °C).
Materials to avoid:	Strong oxidizing agents. Acids. Bases.
Hazardous decomposition products:	On combustion or on thermal decomposition (pyrolysis) releases : Carbon oxides (CO, CO <sub>2</sub> ), Toxic fumes may be released, Various hydrocarbon fragments.

---

## 11. Toxicological Information

---

On eye contact:	May cause irritation.
On skin contact:	Prolonged contact may cause dryness.
On inhalation:	Not applicable.
On ingestion:	May cause irritation and eventual vomiting.
Other health hazards:	None known

---

## 12. Ecological Information

---

To our knowledge, the product does not present any particular risk.

---

### 13. Disposal Considerations

---

Dispose of in accordance with relevant local regulations.

---

### 14. Transport Information

---

Proper shipping name: -

UN Number: No dangerous good in sense of transport regulations

Class: -

Subsidiary risk: -

Packaging group: -

Label: -

Additional information

ADR-HIN: -

IMDG-EMS: - Marine Pollutant: No

IMO: -

---

### 15. Regulatory Information

---

EU Regulations: No specific regulatory or labelling requirement.

Hazard Symbol(s): No specific regulatory or labelling requirement.

Contains: No specific regulatory or labelling requirement.

Risk Phrases: No specific regulatory or labelling requirement.

Safety Phrases: No specific regulatory or labelling requirement.

---

### 16. Other Information

---

Issue: 01  
Date of issue: 12-Sept-2018  
Prepared by: SpEC Technical Department

No liability accepted for any injury, loss, damage or cost arising directly or indirectly from the use of any information contained within this MSDS since the customers treatment of the product is necessarily out of our control.

The data given above is based upon current knowledge and experience. This safety sheet is intended to describe our products in terms of their safety requirements. It does not guarantee the properties of the products described.
